## **Holiday Premium Pay**

- All hourly and exempt, non-management employees required to work on a holiday will receive an additional one-half times their base pay for time worked on holidays.
- Employees not scheduled to work a holiday, may choose to work the holiday with prior approval of the Department Manager. These employees will not receive the Holiday Premium Pay and the Department Manager must notify the Payroll Department.
- Operational needs will determine if certain departments or business units may close on the holiday.
